INTERVIEW SUMMARY

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

The present summary constitutes a record of the substance of the interview between Applicant's representative, Raymond R. Berdie (Reg. No. 50,769) and the Examiner (Phillip A. Gray) on March 22, 2010. No exhibits were shown. Applicant requests that this interview summary be made of record and placed in the file prior to issuance of the present application. As per the Issue Notification mailed on March 10, 2010, the present application will issue on March 30, 2010.

During the interview, Applicant's representative and the Examiner discussed the initialed Form PTO-1449, citing the EP 0640347 reference, which was included with the Supplemental Notice of Allowability mailed on February 26, 2010. On this initialed Form PTO-1449, the Examiner listed a date of "03-02-93" (March 2, 1993) for the EP 0640347 reference.

During the interview, Applicant's representative noted that the "03-02-93" date listed by the Examiner on the initialed Form PTO-1449 is actually the date of filing of EP 0640347 reference, and that the proper date of publication of the EP 0640347 reference is actually 03-01-95 (March 1, 1995). The Examiner concurred. The Examiner also confirmed that he had fully considered the EP 0640347 reference.

Therefore, during the interview, formal agreement was reached that the proper publication date of the EP 0640347 reference is March 1, 1995, that the Examiner had fully considered the EP 0640347 reference, and that the Examiner had properly initialed the EP 0640347 reference in the Form PTO-1449 that was included with the Supplemental Notice of Allowability mailed on February 26, 2010.
